

[illegible]

The floor plan shows a long, narrow building with a total length of 18460 and a total width of 4040. The plan is divided into several sections with various internal dimensions and offsets. Key dimensions include a main length of 16060, a central section of 3020, and a final section of 2280. Section markers A-A and B-B are indicated with arrows pointing to specific locations along the plan. The plan also shows various internal walls, doorways, and structural elements with their respective dimensions.

[illegible]

Technical drawing of a house elevation showing a gabled roof, a chimney, and a tiled roof section. Dimensions are indicated: 3,050 for the roof slope, 0,750 for the chimney height, 0,000 for the ground level, and 6,190 for the total height.

Technical drawing showing a cross-section of a roof structure. The drawing includes a gable roof with a height of 6.190m and a width of 3.050m. A section line is indicated by a dashed line with arrows, and the section view is shown below the main drawing. The section view shows the internal structure of the roof, including the rafters and the roof deck. The section view is labeled with a height of 0.000m.
