

This architectural elevation drawing shows a building facade with a gabled roof and a chimney. The drawing includes height markers in meters (m) at various points: 5,530, 8,780, 14,890, 17,660, 18,910, 19,310, and 0,000. The roof is depicted with a red cross-hatch pattern. The building has multiple windows, some of which are highlighted with orange frames. A chimney is located on the right side of the roof. The drawing is a technical representation of a building's exterior, likely for construction or planning purposes.

Architectural elevation drawing of a building facade. The drawing shows a gabled roof structure on the left and a lower section on the right. The roof is hatched in red, and the lower section has a grey-hatched roof and three orange-framed windows. Height markers are indicated in meters (m) on the right side of the drawing:

- 19,310
- 18,910
- 17,660
- 14,890
- 8,780
- 5,530
- 0,000

Architectural elevation drawing of a building facade. The drawing shows a multi-story building with a red roof and a series of windows. The facade is divided into three main horizontal sections. The top section features a red roof with a small gable. The middle section has a row of windows. The bottom section has a row of windows and a central entrance with a small gable. To the right of the main building is a smaller structure with a gabled roof. Height markers are indicated on the right side of the drawing: 0,000, 5,530, 8,780, 14,890, and 17,660.
